*You can order your own mini-biff to have right on your campsite! One unit is sufficient for approximately 200 total uses, or ~8-10 people over the weekend. We will not be providing pumping service this year. If you plan to have more than 8-10 users, you must order an additional unit(s). For example, 10-20 people? Rent 2 units; >20 people? Rent 3 units, etc. We are making this change for your safety, the safety of other patrons, and the service crews. Campsites can rent units together making it more affordable and convenient for everyone. You will be responsible for any damage to the unit. Winstock will require a valid credit card (see below) to be on file in case any damages occur. **NOTE: If your personal mini-biff is damaged you will be liable for its replacement or repair which could cost up to \$1,500.00***

Rental is from Thursday evening to Sunday morning. Also, hand sanitizer WILL NOT be provided. We have a limited number of Mini-Biffs available to rent! Please order as soon as possible!
